For clarity, policies, procedures and good practice relating to the safeguarding of young people in hockey need to be applied both in relation to activities for young people specifically and where young people may be involved within the adult game. *For example, where players or umpires under 18 years of age are incorporated into adult team hockey.*

### England Hockey's Role:

As the national governing body, England Hockey will publicise and promote within hockey its Safeguarding Young People Policy, Procedures and Good Practice Guidance. It will also support its affiliated clubs and associations in adopting and implementing their own policies by producing template policies and procedures and through access to appropriate training and education opportunities.

England Hockey is committed to ensuring that concerns relating to the safety and welfare of young people in hockey are taken seriously and acted upon swiftly and appropriately. To achieve this, England Hockey has developed procedures for reporting concerns.

England Hockey recognises the roles and responsibilities of the statutory agencies in safeguarding young people and the responsibilities and expertise of the relevant agencies in determining whether young people have, or may have, been abused or otherwise harmed. England Hockey is committed to complying with the procedures of the Local Safeguarding Children Boards (LSCB's) 1.

Local Safeguarding Children Boards (LSCB) are the key statutory mechanism for agreeing how the relevant organisations in each local area will co-operate to safeguard and promote the welfare of children in the locality. The core membership of LSCBs is set out in the Children Act 2004, and includes local authorities, health bodies, the police and others. The objective of LSCBs is to coordinate and to ensure the effectiveness of their member agencies in safeguarding and promoting the welfare of children, they also provide education and training opportunities at local level.

Accordingly, England Hockey will work co-operatively with the relevant statutory agencies on matters relating to safeguarding young people and where England Hockey receives report of a concern; it will refer the matter to the relevant statutory agency where appropriate.

England Hockey is also committed where appropriate, to directly challenging conduct within hockey that is, or may be, harmful to young people. It may, therefore, instigate proceedings under its own Safeguarding and Protecting Young People Complaints and Disciplinary Regulations where concerns or complaints are raised (by sources internal or external to hockey) relating to the safety and welfare of young people. England Hockey will take action against any person or organisation within its jurisdiction whose conduct is found to have harmed a young person in hockey or whose conduct (within or outside hockey) poses or may pose a risk of harm to young people in hockey. England Hockey may also refer matters back to a club for resolution at club level where appropriate.

West Herts Hockey Club will follow England Hockey's Reporting Procedures and will make all their members aware that they are subject to the above conditions.
